Professional Memberships

- American Society of Plastic Surgeons (ASPS)
- American Society for Aesthetic Plastic Surgery (ASAPS)
- Fellow, American College of Surgeons (FACS)
- San Diego County Medical Society (SDCMS)
- Massachusetts General Hospital Surgical Society

Board Certification and Licensure

- Board-Certified, American Board of Plastic Surgery (11/2004, Recertified 2014)
- Board-Certified, American Board of Surgery (6/2002, Recertified 2010)
- Florida License #ME88445 (Active)
- California License #A76673 (Active)
- Texas License #N7667 (Active)

Research Experience

***June 2002 -
March 2003***

Clinical Research

Plastic Surgery Division, University of California, San Francisco, CA.

- Clinical research with Dr. Ronald Gruber on techniques in nasal surgery/rhinoplasty, resulting in 2 peer-reviewed publications and formal presentation at the Senior Residents Conference, 2003.

***July 1991 -
March 1993***

Research Assistant

Cardiac Surgery Laboratory, University of California, San Francisco, CA.

- Laboratory technician and engineer for cardiothoracic research laboratory investigating myocardial energetics in pig and fetal sheep models under Dr. J. Scott Rankin.
- Designer and implementer of modeling software and data acquisition hardware.
- Surgical assistant in research procedures.

***January -
May 1991***

Research Assistant

Medical Engineering, Lawrence Berkeley Laboratories, Berkeley, CA.

- Electrical Engineering Honors Program researcher investigating fast-switching diode control of stochastic nuclear magnetic resonance imaging systems under Dr. Thomas F. Budinger, performing parameter extraction for SPICE circuit models.

Hospitals and Facilities

Scripps Memorial Hospital, La Jolla, CA (2017 - current)
La Jolla Professional Plastic Surgery Center (2016 - current)
Hoag Hospital and Hoag Surgicare, Newport Beach, CA (2016 - current)
